

# Scale of Infidelity : Dump or Forgive?

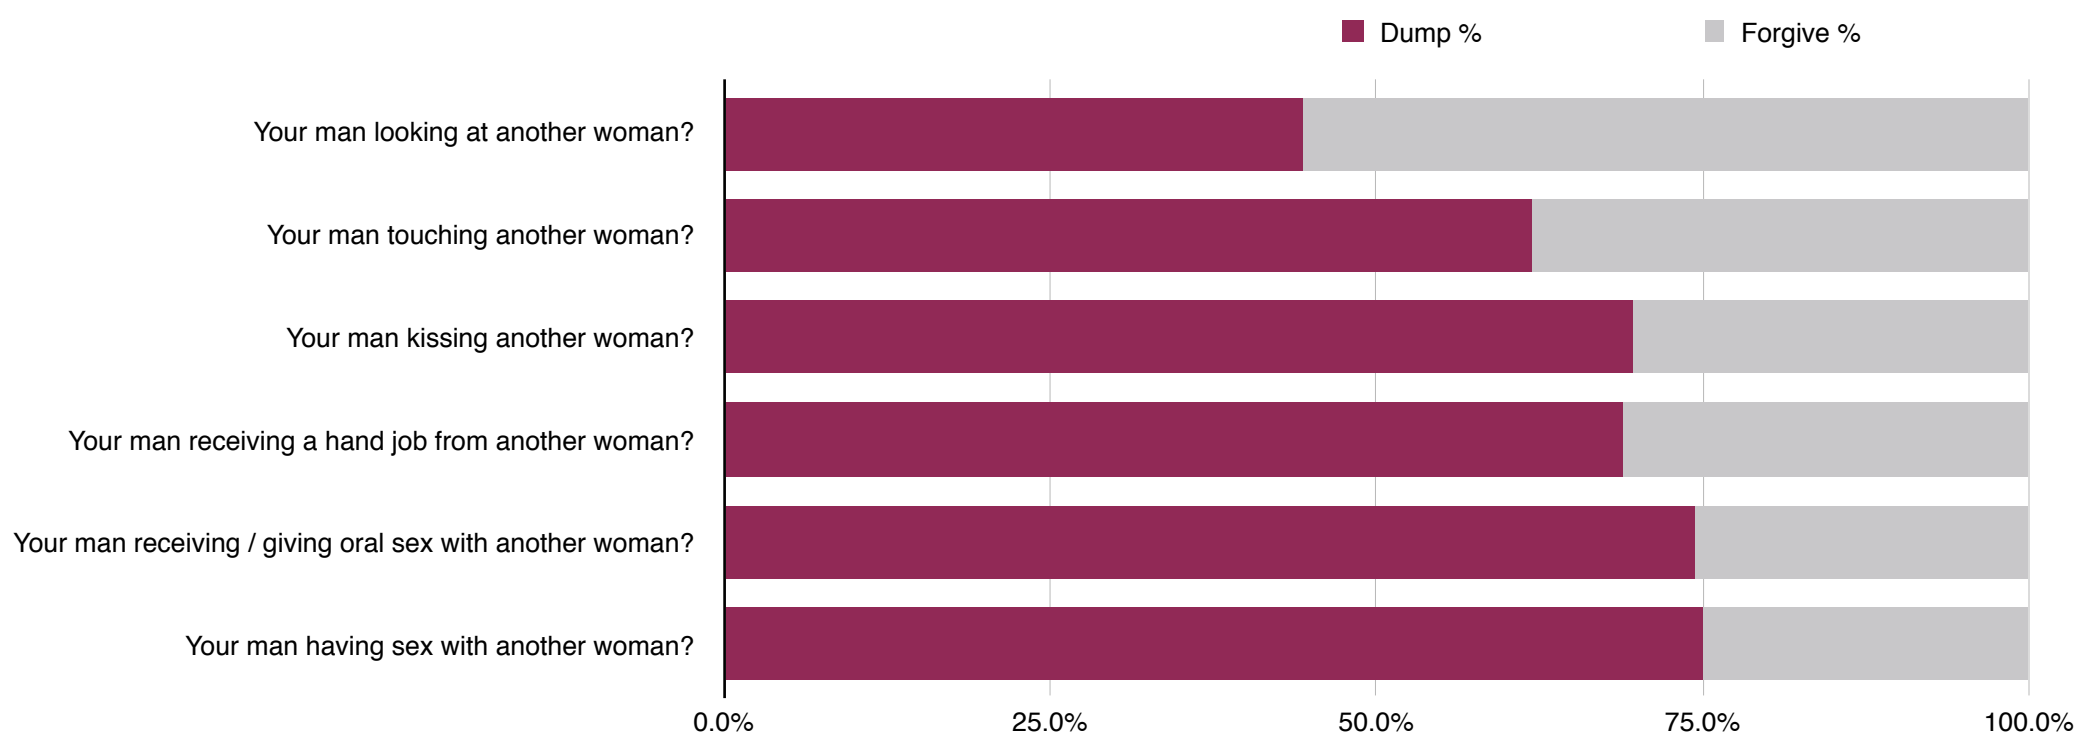

We surveyed 613 female members from our website, Facebook and Twitter pages to create a scale of infidelity. What would females forgive and not forgive. Date of publication: May 2015.

## Potential headlines

**You can look but don't touch: Not it the UK**  
**British women are less forgiving than Americans**  
**A hand job will get you in less trouble than kissing**  
**If you kiss you may as well f\*\*k**
